George Stamas  
Director  
GJK Facility Services  
34 Henderson Rd  
Rowville 3178

Dear George

Thank you for your letter of 30 May including a copy of the nomination for the Prime Minister's Award. The work you have done for the residents of the Fitzroy and Collingwood estate's has been commendable both in delivering the contracted services, but more importantly in going above and beyond the requirements in terms of tenant employment.

I also express my gratitude for the excellent presentation by Mario Vella-West to the contractor's forum on Friday June 10. He outlined the steps GJK took to achieve such positive results in the contract and also demonstrated a sincere commitment to the social outcomes we are working in partnership to achieve. This was clearly recognised in the awarding of a high commendation to you in the Rider Hunt Terotech Industry Achievement Awards, and I appreciate the copy of the certificate you have provided.

Once again I take this opportunity to thank you and all the staff at GJK Facility Services for your commitment to this program.

Yours sincerely

Ed David  
Director of Property Services  
Office of Housing
